All entries on the day.

Showjumping - £11.

Arena Eventing £25 individual , £45 pairs.

The Arena Eventers must wear body protectors and skull caps adhering to the current safety standards.

The Showjumpers must wear show gear.

Those Eventers who may want to showjumping may do so in their XC gear.

Both classes will run together. Declare to the ring steward which class you are entered and they will inform the judge. All classes will run concurrently starting at 10am. There will be 'not start before times'.

There will be a full set of showjumps plus a selection of solid portable XC fences.

There will be different courses for the showjumping and the same will apply for the Arena Eventing.

Our arena is very large and can easily accommodate both sets of jumps.

This will be a first for Speetley to run both competitions at the same time so please bear with us, your feedback will be much appreciated.

Early on in the year we are increasingly being asked for more arena eventing and solid portables. Hopefully, this trial run will be a success and will support The Showjumpers and The Eventers amongst you early in the season!
